We affirm the words of Palestinian Christian leaders in their Kairos Document: "These advocacy campaigns must be carried out with courage, openly and sincerely proclaiming that their object is not revenge but rather to put an end to the existing evil, liberating both the perpetrators and the victims of injustice. The aim is to free both peoples from extremist positions of the different Israeli governments, bringing both to justice and reconciliation. In this spirit and with this dedication we will eventually reach the longed-for resolution to our problems, as indeed happened in South Africa and with many other liberation movements in the world."
